CLASSE : **5^e**

DUREE : **1H30'**

COMPETENCES A EVALUER

CD2 : Réagir de façon précise et appropriée à des messages lus

CD3 : Produire de façon appropriée des textes de type et de fonctions variés

L'EPREUVE

I-LA REACTION A UN TEXTE ECRIT

CONTEXTE : Dans une ville il y a beaucoup d'infrastructures.

SUPPORT :

Text: A city of Djougou

1- Djougou is in the north of Benin with a population of more than one million inhabitants. It is a beautiful city.

2- In this city, you can find five secondary schools, eight primary schools, one primary school teacher training institution. There, you can see many mosques, a cathedral church, a stadium and the market. In the city centre, you can find a forest with tall trees where people throw garbage. At the level of crossroads, there are traffic lights to control the traffic.

3- People of Djougou go to the cinema to watch movies, to shopping at the supermarket and some go to the swimming pool to relax.

4- Four months ago, there were big festivals and some famous artists such as Blaaz, P-Square, Toofan, Akon, came. Djougou is a wonderful city.

CRITERES D'EVALUATION

Après avoir lu le texte, tu montreras que tu l'as compris en

- Reconnaisant ces détails ;
- Exprimant tes appréciations personnelles.
- Complétant le tableau ;
- Transformant les noms en adjectifs.

Tâche :

Item 1 : Write "true" or "false" for the statements

1- Djougou is a city

- 2- Djougou is in the north of Benin
- 3- There is no mosque in Djougou
- 4- The traffic lights help to control the traffic.

Item 2: Answer the questions base on the text

- 1- what is the text about?
- 2- Djougou is a city or a village? Justify your answer with a sentence from the text.
- 3- How many primary schools are there in Djougou?

Item 3: Complete the table with the appropriate country and write down the nationalities.

	People	Country	Nationality
