SESSION 3

Communication task 1:

Write a message that you will send through *whatsApp* to your Liberian friend Weah in which you talk about the job you want to do,

In your letter,

- name the tools required
- say what they are used for.

Communication task 2:

Write an application letter to an American NGO offering funds to people for the development of individual projects. In your letter,

- 1-indicate the job you can do
- 2-describe this job briefly
- 3-give the names of the tools you need and say what each of them is used for.
