PART ONE: READING FOR COMPREHENSION(8 points)

Last summer, koffi and his family spent their hoçlidays in their village. They travelled there by bus. When they arrived, they visited their grandparents and greeted their neighbours.

Every morning, koffi helped his father on the farm, he watered the vegetables and fed their chickens. In the afternoon, he played football with his friends and rode his bicycle. Sometimes, he went swimming in the river with his cousin.

In the evening, koffi helped his mother prepare dinner. After dinner, the family sat together and talked about their daily activities. Koffi also listened to traditional stories told by his grandfather. At the end of the holidays, he returned to Abidjan with beautiful memories. He was happy because he had enjoyed his holidays and learned many useful things.
