**ENGLISH TEST**

**PART ONE** : Reading comprehension (8pts)

Read the text and do all the activities that follow it.

**Let's discover my school**

Welcome to our school! Let's explore the different places. In the canteen, we enjoy delicious meals with our friends during lunch. If we need medical attention, we visit the infirmary where the nurse takes care of us. The vice-principal's office is where important decisions are made. We love using computers in the computer room to learn new skills. Don't forget to wash your hands in the toilets/restrooms! And if you need to ask about school fees, you can go to the bursar's office.
