Hello Bob Johnson

I received your message, thanks. Presently, I am in Grand-Bassam, the weather here is hot and dry. In our country we have two main seasons, a rainy season and a dry one. But it never snows. Sometimes the wind is violent here but not like in your country. Next year I want to go and pay you a visit in your country in USA precisely in Spring or Summer season. I don't prefer Winter because it's too cold. I don't like Autumn because it's a very windy season. In Grand-Bassam here, generally the sky is not cloudy.

Your friend Aka...bye!
