ENGLISH TEST N1

PART ONE:READING COMPREHENSION

My School Year and Holidays

Last August, I *spent my holidays* in the village. I went there to *rest* after a long *school year*. Every morning, I *swam in the river*, *went fishing*, and helped my grandfather *set traps* and *go hunting*. I also helped my grandmother *plant tomatoes*. Sometimes, I played with my cousins. We *played marbles*, went to the farm, and even *traveled* to the next town to *do some shopping*.

One weekend, we *went to the beach* to *have fun*. It was exciting, but I *missed* my friends in the city. I started to *feel homesick* a bit.

When school started again, I was ready. I *attended* every class, helped *clean the school yard*, and always did my best to *do my homework* and *be on time*. At lunch, we had to *queue up*, and everyone had to *respect the rules*.

Unfortunately, some students *skipped school*, *bullied* others, or *cheated* during tests. They were *punished*. Others would always *chat in class* instead of focusing. Some even *failed the mock exam*. I studied hard and managed to *succeed* at the end of the *term*.
