ENGLISH COMMON TEST N°1

PART ONE : READING (8 points)

Read the text below and do all the activities that follow it on your answer sheet.

HOLIDAYS

Affua spent most of her holidays in her village. She went to the rice fields with her aunt and her cousin Janet five days a week. They left the village early in the morning because the fields were very far and they had to walk for about thirty minutes.

It was tiring but she liked it. On the way, she saw beautiful flowers, and heard the chirping of the birds in the trees, and she liked the fresh morning dew on her legs.

The other two days she helped her aunt in the kitchen in the morning and played with her friends all afternoon. Then she paid visits to some relatives in the evening.

She enjoyed herself a lot because she had time to do everything she wanted. There were some other grammar school pupils in the village, with whom she could discuss school matters for and hours.
