Read the text below and do all the activities that follow it on your sheet. .

My unforgettable holiday

My name is Alexia. My last holiday is one I will never forget. At first, I thought the holiday would be boring, because I was going to travel to my village. But I got wrong. When many relatives started coming for the long holidays, I projected my stay as being fun...

On the 3rd July we spent six hours on the road where we saw different accidents unfortunately for but we were not concerned. I enjoyed road trip because I had a lot of fun. We were welcomed with a new surprise which was a new house built by my father. This house was very beautiful with many bedrooms.

During my week stay, I met a lot of amazing things and kind villagers. I also made new friends. I spent all my time hanging out with them swimming and visiting exciting places. It was a very memorable and unforgettable moments for me during my holiday.
